Notification of exhibition at Internationale Zuliefererbörse (IZB)

Keihin Corporation (Head office: Shinjuku-ku, Tokyo, President & CEO: Chitoshi Yokota) will again exhibit at the international automotive parts trade fair "Internationale Zuliefererbörse (IZB)", which will be held in Wolfsburg, Germany from Oct16 - Oct18, 2018.

In this third exhibition at which Keihin will exhibit electric vehicle control systems, including a power control unit corresponding to electric vehicles that are expected to expand globally. Additionally, Keihin will exhibit systems that support emissions regulations and rising environmental awareness around the world including solutions for gasoline direct injection engines, natural gas fueled vehicles, and air conditioning systems.
